Return Policy: Unfortunately, we can't take anything back that has been worn or used. That is why we ask that you PLEASE check the sizing chart and measure your dog so it is a comfortable fit when he/she sports the shirt. If you do have something that is unworn, and it has been within 30 days of the day your purchase date, please print and fill out the return form at www.waggish.com/returns according to the directions and include it with your return packaging. We'll exchange your shirt for a different size, different shirt (of equal or lesser value), or refund your money, whichever you prefer. Unfortunately, we do have to charge a \$3 restocking fee for all refunds. There is no restocking fee for exchanges. You should see you refund in 5-10 business days. Please allow 2-3 weeks for exchanges.
